Greetings,

We will be conducting a conference call with the Miller Chemical Staff to review their cleanup plan (which will be sent to you Thursday morning after I receive it). At the conclusion of the meeting, we will provide them with a point of contact for each of your Programs. Therefore, moving forward the Miller Chemical folks can address those different aspects of the cleanup plan with your individual Programs.

Any ?'s, please let me know.

Thankyou,

bc

PK – You were included to keep you in the loop. I would want either/both CBI / Ex. 4 or CBI / Ex. 4 present during the conference call.
